# INDEX TO

## THE AMERICAN MEDICAL MONTHLY,

### VOL. XIV.

Abortion.....	309
Abortion of One Fœtus in Twin-Conception.....	60
Account of the Poisoning of Thenard by Corrosive Sublimate.....	398
A Critical Dictionary of English Literature—Allibone's—Notice of.....	71
Acute Atrophy of the Liver.....	393
Acute Rheumatism.....	156, 157
Adulteration of Cows' Milk, and its Detection.....	312
Air-Plug for the Speculum Uteri.....	443
Allibone's Critical Dictionary of English Literature—Notice of.....	71
Althaus on Medical Electricity—Review of.....	65
American Medical Association.....	72, 79
A Monograph on Aconite—Notice of.....	233
Anatomy and Physiology of the Bones of the Ear and the Membrana Tympani.....	386
A New Cranial Perforator—(Dr. Thomas').....	427
A New Form of Chloride of Sodium.....	315
A New Instrument for the Novel Application of Anæsthetic Vapors for Deafness, Neuralgia, &c. (Dr. H. P. Dewees).....	201
A New Needle for Sutures.....	437
A New Operation for Amputation of the Foot.....	225, 397
A New Operation for Varicose Veins.....	439
An Extraordinary Case of Ascites.....	439
Animal Heat.....	54
Apiol in Amenorrhœa and Dysmenorrhœa.....	388
Arterial Murmurs and their Diagnostic Value in Anæmia.....	381
Artificial Respiration for Opium Poisoning.....	217
A Severe Burn treated with Alum.....	225
Ashton on Diseases of the Rectum and Anus—Review of.....	362
A Treatise on Medical Electricity—Review of Althaus.....	65
Balch (Dr. G. B.)—Gun-Shot Wound of the Heart.....	202
Bennett on Principles of Medicine—Review of.....	455
Bismuth in Burns.....	212, 373
Black Coffee in Whooping-Cough.....	388
Bronson (Dr. Jno. O.)—Reports on Surgical Cases.....	31, 121
Caffeine for Opium Poisoning.....	56
Camphor as an Antidote to Strychnine.....	153
Case of Gun-Shot Wound of the Heart.....	202
Cases of Spontaneous Cure of Uterine Polypi.....	452
Cataleptic Sleep in Fowls.....	41
Cataract or Cornea Knife.....	451
Ceocarini (Dr. G.) on Ossification of the Humors of the Eye.....	424

Character of Peyer's Glands in Infantile Typhoid.....	454
Chemical Investigations on the Root of Kawa.....	47
Chlorate of Potash in Phthisis.....	431
Chlorate of Potash in Secondary Syphilis.....	143
Chloroform as a Therapeutic Agent.....	60
Chloroform Poisoning.....	152
Chloride of Iron in Purpura Hemorrhagica.....	389
Cimicifuga in Rheumatism.....	434
Circulation—Physiology of the.....	1, 102, 181, 285, 338, 401
Climatic Relations of Consumption.....	142
Clinical Lectures on Certain Acute Diseases.....	362
Clinical Report on Rodent Ulcer.....	445
Clinical Researches on the Action of Diuretic Remedies.....	241
Coffee in Delirium Tremens.....	227
Collodion in Strangulated Hernia.....	153
Congenital and Acquired Diseases of the Lips in Infants.....	453
Conical Projectiles—Effects of.....	49
Conant (Dr. D. S.)—Treatment of Displacements of the Uterus by a new Stem and Wing Pessary.....	419
Consumption.....	50, 142, 156
Constipation Treated with Colchicum.....	226
Cotyledon Umbilicus.....	388
Cranial Perforator—(Dr. Thomas').....	427
Dalton, Jr. (Dr. J. C.)—Physiology of the Circulation.....	1, 102, 181, 285, 338, 401
Daltonism not Congenital.....	210
Davis (Dr. H. G.) Union of Wounds of the Scalp by means of the Hair....	466
Degeneration of the Kidney.....	393
Delivery of Placenta in Abortion.....	214
Dewees (Dr. H. P.) on the Application of Anæsthetic Vapor for Neuralgia by a New Instrument.....	301
Diagnosis of Cancer of the Kidney.....	394
Diabetes.....	440
Diet for Dyspeptics.....	224
Difficulties in Diagnosticating Tetanus.....	391
Diphtheria, and its Treatment.....	42, 58, 143, 156, 303, 395, 435
Diseases of the Rectum—Ashton—Review of.....	362
Dislocation of Femur into Thyroid Foramen—(Dr. S. Hubbard).....	467
Dislocation Treated by Wiring.....	434
Displacements of the Uterus.....	19, 127, 267, 321
Diuretic Remedies—Action of.....	241
Division of the Ciliary Muscle in Glaucoma, as Compared with Iridectomy.....	452
Dysentery.....	371
Editorial and Miscellaneous.....	79, 159, 237, 318, 397, 465
Effects of the Imagination on Pain.....	64
Effects of Medicine on the Teeth.....	158, 227
Effects of Santonine.....	387
Electricity in Nervous Tumors.....	434
Elberg (Dr. L.) Monthly Summary of Foreign Medical Literature.....	311, 384, 445
Endermic Use of Animal Fat in Typhoid Fever.....	151

# INDEX.

v

Epilepsy.....	218
Erectile Tumors.....	150
Errors in Diagnosis of Constitutional Syphilis.....	449
Ether to Cure Deafness.....	452
Experiments with Coal Tar.....	388
External Use of the Cyanide of Potassium.....	389
Eye—Ossification of the Humors of.....	424
Fissure of Anus.....	49
Flint (Dr. Austin) on the Action of Diuretic Remedies.....	241
Fœtus Carried Twenty-two Months Beyond Time.....	157
Foreign Bodies in the Oesophagus.....	64
Forceful Dilatation in Fissure of the Anus.....	448
Fountain (Dr. E. J.) on Chlorate of Potass in Phthisis.....	161
Frost's (Dr. C. P.) Report of a Trial for Criminal Abortion.....	196
Functions of the Cœliac and Mesenteric Plexus.....	318
Gay (Dr. C. C. F.) on Chlorate of Potash in Phthisis.....	431
Gelseminum in Typhoid Fever.....	62
General Blood-letting.....	219
General Hospital of Munich—(Dr. Mercer Adam).....	468
Geographical Occurrence of Diabetes.....	394
Gibbs (Dr. O. C.) Monthly Summary of Medical Journalism..	50, 142, 212, 313
371, 433.	
Hartshorne's Memoranda Medica—Notice of.....	369
Hepatic Colic.....	392
Hoarseness of Singers.....	49
Honey on Health—Influence of.....	49
Hypnotism.....	38, 310
Incontinence of Urine.....	56
Inflammatory Affections of Female Breasts.....	374
Inflammatory Rheumatism.....	381
Influence of Curara on Nerves and Muscles.....	317
Influence of Syphilis, and its Mercurial Treatment, upon Offspring.....	448
In-growing Nail.....	439
Inguinal Aneurism Cured by Digital Compression.....	378
Intra-uterine Dislocations of the Knee-joint.....	444
Iodine for Rattlesnake Bites.....	60
Journal de la Physiologie—Notice of.....	228
Kawa Root.....	47
Labor with Unruptured Hymen.....	443
Lane (Dr. A.) on Nitrate of Potash in Certain Diseases.....	397
Laryngoscope of Prof. Czermak.....	15
Lead Poisoning from Water conveyed in Lead Pipes.....	433
Lectures on Displacements of the Uterus—(Dr. E. R. Peaslee) ..	19, 127, 267, 321
Leeching.....	388
Ligatures and Sutures—(Dr. R. Nelson).....	352
Ligatures Retained after Operations.....	398
Linear Extraction of Cataract.....	305
Liquor Amnii.....	144
Local Treatment of Gleet.....	372

Loss of Hair—Singular Case of .....	157
Lupus.....	226
Mammary Abscess occurring during Lactation.....	81
Mania à Potu.....	52, 62
Mann (Dr. Geo.) on a New Operation for Amputation of the Foot.....	397
Manter (Dr. Geo. W.) on Ligatures retained after Operations.....	398
Means of Determining the Quality of Milk.....	311
Medicine and Surgery in China.....	207
Menorrhagia treated with Cream of Tartar.....	226
Metallic Ligatures.....	55
Muscular Contraction.....	307
Myolethe—Muscular Forgetfulness .....	44
Nature and Treatment of Gout.....	397
Nelson (Dr. Robert) on Ligatures and Sutures.....	352
Neuralgia.....	151, 440
Nitrate of Potash in Certain Diseases .....	397
Normal Structure of the Liver.....	316
Notes of Three Cases of Phthisis treated by Chlorate of Potash—(Dr. C. C. F. Gay.).....	431
Notice of Allibone's Dictionary.....	71
Notice of Brown-Séguard's Journal de la Physiologie.....	228
Notice of Dr. Flint's Address.....	231
Notice of Dr. Millard's Translation of Reil on Aconite.....	233
Notice of Hartsborne's Memoranda Medica.....	369
Notice of Langenbeck's Archives of Clinical Surgery.....	237
Notice of Forriep's Notizen.....	236
Notice of The American Cyclopædia.....	70, 235
Notice of Physician's Visiting List, Physician's Hand-Book, &c.....	458
Notice of The Pocket Anatomist—(Dr. Hilles') .....	463
Notice of Transactions of New York State Medical Society.....	234
On Pulmonary Osmose.....	384
On the Influence of Menstruation and Pregnancy on the Quality of the Milk of the Human Female.....	437
Opium in Inflammation.....	438
Opium in Pneumonia.....	213
Opium in Rheumatism.....	443
Orchitis.....	226
Ossification of the Humors of the Eye—(G. Ceccarini, M.D.).....	424
Osteo-Sarcoma of the Lower Jaw .....	436
Ovarian Tumors.....	56
Oxygen and Ozone as Therapeutic Agents—(Dr. E. J. Fountain).....	161
Ozonized Oils and their Medicinal Administration.....	387
Pancreatic Secretion.....	318
Passage of a large Stone by the Urethra.....	441
Parturient Hemorrhage.....	379
Paracentesis Thoracis.....	143
Pathology of Tubercle.....	50
Pathological Significance of Jaundice in the Newly-Born.....	453
Penslee (Dr. E. R.) on Displacements of the Uterus.....	19, 127, 267, 321

Pharmaceutical Preparations and their Adulterations.....	159
Phthisis—Chlorate of Potash in.....	161, 431
Physiology of the Circulation—Lectures on.....	91, 102, 181, 285, 338, 401
Pike's Peak for Consumptives.....	63
Pleuro-Pneumonia of Neat Cattle.....	372
Pneumonia.....	441
Poisoning by Atropine.....	390
Poisoning by Camphor.....	46, 369
Poisoning by Cyanide of Potassium.....	389
Poisoning with Strychnine.....	373
Post-Partum Hæmorrhage.....	378
Premature Extraction of Deciduous Teeth.....	435
Preservation of Corpses with Acetate of Alumina.....	307
Prickly Ash.....	444
Prophylactic Treatment in Croupy Diathesis.....	453
Puerperal Fever treated with Digitalis.....	383
Quinine and Abortion.....	158
Quinine and Malarial Fever.....	144
Quinine as a Prophylactic of Malarious Disease.....	217
Quinine in Acute Rheumatism.....	381
Quinine in Cholera Infantum.....	221
Quinine in Croup.....	56
Radical Cure for Hernia.....	59, 435
Regeneration of Nerves.....	317
Reports of Surgical Cases—(Dr. J. O. Bronson).....	31, 121
Report of a Trial for Criminal Abortion.....	196
Review of Althaus on Medical Electricity.....	65
Review of Ashton on Diseases of the Rectum and Anus.....	362
Review of Bennett on Principles of Medicine.....	455
Review of Todd on Acute Diseases.....	362
Rheumatism—Acute—The Conditions Attending every Attack of.....	117
Saccharate of Colchicum.....	387
Santonine—Its Effects on Vision and the Urine.....	211
Scooping out of Cataract.....	451
Seven Cases of Displacements of the Uterus successfully treated by a new Stem and Wing Pessary—(Dr. D. S. Conant).....	419
Shock in Military Warfare.....	446
Short-sight of Squinters.....	451
Signification of the Heart's Throb.....	386
Solids in the Urine in Health and Disease.....	312
Spina Bifida.....	306
Sponge Pessaries.....	383
Spontaneous Softening of the Heart.....	391
Stangenwald (Dr. Hugo) on Prof. Czermak's Laryngoscope.....	15
Stramonium in Neuralgia.....	438
Strictures of the Urethra.....	154
Substitute for Gutta Serena.....	315
Sugar in Diabetic Urine Detected by Sulphuric Acid.....	314
Surgical Cases—Reports of.....	31, 121

Sympathetic Ophthalmitis.....	373
Syphilis a Cause of Scrofula.....	308
Swallowing Pebble Stones.....	384
Tannin as an Antidote to Strychnine and other Narcotic Poisons.....	439
Tetanus—Remarks on the Treatment of.....	447
The Deep Femoral Artery.....	316
The New American Cyclopædia—Notice of.....	70
The Trinity of Charlatanism.....	34
The Vena Ophthalmo-meningea.....	316
Thomas (Dr. T. G.) on a New Cranial Perforator.....	427
Thomas (Dr. T. G.) on Mammary Abscess During Lactation.....	81
Tobacco.....	441
Todd on Acute Diseases—Review of.....	362
The Conditions Attending Every Attack of Acute Rheumatism.....	117
Tracheotomy.....	372
Tracheotomy in Croup.....	62, 158
Transactions of New York State Medical Society—Notice of.....	234
Treatment of Delirium Tremens by Large Doses of Digitalis.....	306
Treatment of Drunkenness.....	394
Treatment of Inflammations.....	374
Treatment of Phthisis by the Chlorate of Potash; with Observations on Oxygen and Ozone as Therapeutic Agents—(Dr. E. J. Fountain)....	161
Treatment of Venereal.....	450
Treatment of Yellow Fever.....	213
Typhoid Fever.....	377
Typhlitis and Perityphlitis.....	391
Typhoid Fever.....	62, 151, 154
Union of Strands of Hair Across the Incision in Wounds of the Scalp.....	381, 466
Urate of Quinine—Composition of.....	48
Urticaria from Irritation of the Sexual Organs.....	452
Uterine Neuralgia.....	216
Uterus—Displacements of—Successfully Treated by a New Stem and Wing Pessary (by Dr. D. S. Conant).....	419
Uterus—Lectures on Displacements of—(Dr. Peaslee).....	19, 127, 267, 321
Utilization of Everything for Food in China.....	203
Vaccination.....	222
Value of Sulphate of Cinchonia in Intermittent Fever.....	211
Veratrum Viride in Pneumonia.....	150
Veratrum Viride.....	439
Vesicæ by External Manipulation.....	61
Vesico-Vaginal Fistula.....	437
Water in the Substance of the Brain.....	314
Weissbrod's Pelvimeter.....	453
Wheelock (Dr. A. T.) on Conditions Attending Acute Rheumatism.....	117
Whiskey in Tetanus.....	433
White Poplar or American Ash.....	444
Whooping Cough—Treatment of.....	433
Wood Naphtha in Diarrhœa.....	434
Yellow Fever—Treatment of.....	213
